Description

When you need to do some serious hauling, look no further than the FastTrac 8.5 feet wide cargo trailer. This is the largest of the FastTrac models and is ideal for hauling construction material, landscaping equipment, and even your favorite collector or race car! The FastTrac 8.5 feet wide offers plenty of standard features, including rear ramp door, two dome lights, spring suspension axles (four inch drop) and a 3/4 inch undercoated plywood floor. There's even a nice selection of our most popular options as well. When you're serious about hauling, think FastTrac!
